

## Hay Day Saturday, September 20<sup>th</sup>

---

Over 400 attendees at this event will help us celebrate the 30<sup>th</sup> anniversary of Fieldstone Farm TRC and the 100<sup>th</sup> anniversary of the Chagrin Valley Hunt this year! Wilde Fields Farm, part of the Western Reserve Land Conservancy and home of White North Stables, provides the perfect venue for this celebration of Cleveland history. Join us for dinner, hayrides, hunt demonstrations and a trip back in time to learn more about this historic place and the events that have been held there. All proceeds from this event will support the programs at Fieldstone Farm TRC.
