## ***RELEASE AND HOLD HARMLESS AGREEMENT***

The undersigned agrees on behalf of himself/herself, the undersigned's minor child and/or the undersigned's representatives, heirs and assigns ("Releasing Parties") to the following:

A. Fieldstone Farm Therapeutic Riding Center ("Fieldstone Farm") has fully explained to him/her the risks involved with horseback riding, carriage driving, showing horses, horse-related activities and/or being in close proximity of horses. These risks include but are not limited to: 1. the propensity of a horse to behave in ways that may result in bodily injury; physical harm, permanent disability; death, or loss to persons around the horses, including without limitation, the rider, driver, handler; and spectator; 2. the unpredictability of horse's reaction to sound, sudden movement, unfamiliar objects, persons, or other animals, which reaction may include but is not limited to changing speed or direction at will, shifting its weight, bucking, rearing, kicking, biting, running from danger, stepping on a person's feet, pushing or shoving a person; 3. hazards, including but not limited to surface and subsurface conditions, 4. collision with another horse, animal, person or object; and 5. the potential of the Releasing Parties, or any other person involved in an equine activity to act in a negligent manner that may contribute to injury, death permanent disability, or loss to any of the Releasing Parties or the other persons, including, but not limited to failing to maintain control over a horse or failing to act within the ability of the participant. The Releasing Parties each further understands that the horse is a prey animal and regardless of its calm nature and training, the horse may revert to its natural instinct to fight or flee when frightened, which may result in injury, death, permanent disability, or loss to you or other persons. By signing this Release, the Releasing Parties each assumes all of the dangers and risks associated with horse activities and being in close proximity of horses, including those risks enumerated above.

B. In consideration of the privilege of riding, handling, and working around and being in close proximity to horses at Fieldstone Farm located at 16497 Snyder Rd., Chagrin Falls, Ohio, the Releasing Parties each releases, discharges and promises not to sue Fieldstone Farm, or any of its employees, officers, directors, trustees, members, volunteers, successors and assigns for any loss, damage, injury, including death or cost to any of the Releasing Parties or persons accompanying any of the Releasing Parties arising out of riding, handling or being in close proximity of horses and equine activities, including without limitation failing to wear a protective helmet and or use of saddles, bridles, helmets, equipment and gear provided by Fieldstone Farm or any other person or entity. The Releasing Parties also each agrees to discharge, release and promises not to sue Fieldstone Farm from any claim arising from Fieldstone Farm's training or selecting of the horses, maintenance, care, fit or adjustment of saddles or bridles, instruction on riding and related skills or leading or supervising Releasing Parties in his/her riding and other equine activities, including without limitation non-riding activities such as handling, bathing and grooming horses.

C. The Releasing Parties each agrees to indemnify and hold harmless Fieldstone Farm, its employees, volunteers, trustees, directors, officers, successors, assigns and students from and against any loss, liability, damage, expense or costs including attorney fees that it may incur or incurs arising out of or in any way connected with the Releasing Parties' participation in equestrian activities, including without limitation, handling or riding of horses or being in close proximity to a horse or due to the failure to wear a helmet when riding or handling and/ or use of saddles, bridles, equipment in connection with the equestrian activities. This indemnification provision shall survive the signing of this Release.

D. The Equine Liability Law, Ohio Revised Code Section 2305.321 generally states in part: *Equine (Horse) Activity Sponsor is not liable in damages in tort or other civil action or harm that and Equine Participant allegedly sustains during an equine activity and that results from inherent risk of equine activity.*
